‘Learningfield’

All students from Year 7 to Year 10 have access to Learningfield, a world first educational resource which will enhance student learning in the digital classroom. Learningfield offers an unrivalled choice of chapters and texts from leading educational publishers. The Learningfield comprehensive eTextbook library gives students unprecedented access to digital resources and lets teachers personalise student learning. Learningfield gives students access to texts on multiple different devices with a single login both at school and at home. Visit www.learningfield for more information.

To allow student access to the Learningfield suite, Bayside College will be required to provide student surnames and first names to Learningfield for their data base. Learningfield and Bayside College undertake to ensure your personal data is protected and securely stored.

I agree to the release of certain personal information as listed above for the purpose of Learning field access. I also agree to the installation of Department of Education software on my BYOD device (if applicable).
