

BAYSIDE P-12 COLLEGE

YEAR 7 MANAGED 'BRING YOUR OWN DEVICE' NOTEBOOK PROGRAM

From the start of 2019 students in year Seven will join our Managed Bring Your Own Device Program. The students are expected to purchase the designated Notebook for use as part of their learning program. This means that there will be a cost at the start of next year, however in subsequent years there will be no notebook cost until the suggested updated purchase date at year 10. Students will retain their laptops for three years.
