

## **STANDARD 3**

### ***Child Safe Code of Conduct for Bayside P-12 College***

#### **Rationale**

- One of the most effective child safe strategies to help protect children from harm is a Code of Conduct.
- A Child Safe Code of Conduct establishes clear expectations for appropriate behaviour with children.
- It lists behaviours that are acceptable and those that are unacceptable. It spells out professional boundaries, ethical behaviour and acceptable relationships.
- If people behave in ways that are unacceptable the Code of Conduct enables the organisation to take action.
- Without a Code of Conduct, it can be very difficult to raise behavioural issues with staff and volunteers.
- If unacceptable behaviour continues, this can seriously compromise the safety of the environment, Swift and appropriate action must be taken when the Code is breached, otherwise people will continue to feel compromised or unsafe.

#### **Purpose**

- To ensure Bayside P-12 College complies with the legislative requirements of MO 870.
- To ensure the school demonstrates its commitment to creating a child safe culture.
- To protect children and reduce any opportunities for abuse or harm to occur.
- To provide guidance to staff and volunteers on how to best support children and how to avoid or better manage difficult situations.
- To ensure the school develops and publishes a code of conduct that is compliant with the Child Safe Standard 3.
- To ensure the school discharges its duty of care towards students.

#### **Implementation**

- The safety and wellbeing of children is the highest priority for Bayside P-12 College.
- The school will know it has successfully implemented Standard 3 when:
  - appropriate behaviour with children is clearly defined, accessible and understood by staff, volunteers, families and children
  - steps staff should take if they identify child safety risks are clearly outlined
  - staff, volunteers, families and children understand culturally safe behaviour and relationships with Aboriginal children and children from culturally and/or linguistically diverse backgrounds
  - staff, volunteers, families and children understand safe behaviour and relationships with children with a disability
  - children and families from culturally and/or linguistically diverse backgrounds can access and understand the Code of Conduct
  - efforts have been made to make the code of conduct accessible to children with a disability

14. The school will ensure that procedures for raising and managing complaints and consequences for breaching of the Child Safe Code of Conduct, are known and understood by everyone. For specific procedures, please refer to the school's Complaints & Concerns, Parents Policy.
15. For particularly high-risk activities, such as overnight camps, the school will determine whether or not a specific Code of Conduct is required. This could outline additional topics such as sleeping arrangements, personal care, leaving the site, no drugs or alcohol on site, staff-to-child ratio requirements, etc.
