

Dress Code – Uniform Policy

Rationale |

The College Council has endorsed a variety of uniform items which form the student Dress Code.

Council believes that the wearing of a clearly defined uniform and a high standard of personal grooming creates a sense of collective and individual pride in students' identification with their school. In addition it provides a common standard of dress which is non-competitive and safe, and enhances the image of the college in the community.

Aims |

Defining an identity for the College within the community and promoting a positive perception of the College.

- Reinforcing that school is a workplace, and reminds students of the standards valued by workplaces and the broader community.
- Ensuring issues of Occupational Health & Safety are addressed
- Making school clothing affordable for families and eliminating the risk of peer pressure to wear transiently fashionable and expensive clothing and thereby promote equality amongst all students.
- Increasing the personal safety of students and staff by allowing easier recognition of visitors and potential intruders in the College.

Implementation |

- The designated Dress Code: Student Uniform, as determined by College Council, is listed in the Student Diary and Parent Information Handbook.
- All students from Year 5 to Year 12 are required to wear the new uniform.
- Introduction of the new uniform from Prep to Year 4 commenced in 2015 with a 2 year phase out period for old uniform items.
- Parents of Prep to Year 4 students will be requested to purchase the 'new' uniform items if replacing uniform pieces.
- Newly enrolled students and their parents/guardians are to be clearly advised of the Dress Code: Student Uniform requirements and the process of acquiring a uniform via the College Uniform Shop. Agreement to abide by the uniform policy is a requirement of enrolment.
- 'Out of Uniform' days are sometimes held in order to raise money for social services. On such occasions, neat casual dress and neat safe footwear (no thongs) is permitted. The Principal reserves the right to decide what is permissible.
- The College Physical Education / Sports Uniform is to be worn for timetabled Physical Education classes as well as for interschool sporting events. The Sports Specialist Uniform (Tennis Program, Advance Program) is provided to relevant students as part of the enrolment process.
- School Swimming Sports, Athletics Carnivals and Cross Country: on these sporting occasions, students may wear clothing in their House Colours or sports uniform.

Health and Safety |

- Students are encouraged to wear wide brimmed hats when outdoors. The Uniform Shop stocks a suitable hat with a College logo. P-6 students no hat no play rule will apply. Hats are not to be worn in the classroom.
- College Council strongly recommends the use of Bicycle Safety Vests when students are riding bicycles to and from the school, helmets are compulsory by law for all bicycle riders.

The Dress Code applies during school hours, while travelling to and from school, and when students are on school excursions (unless otherwise agreed). Students are expected to dress in complete school uniform and to present a neat appearance. In addition:

- **Girls dress & skirt/short length: set at mid knee to 5cm above knee**
- **Students are required to wear appropriate sturdy black leather school shoes (appendix 1).**
- **Jewellery** should not be obvious or extreme. **Ear sleepers / studs** must be small and unobtrusive
- **Facial piercing** is not acceptable. Extreme hairstyles & colours are not permitted. Inappropriate symbols, which may include but not limited to badges, jewellery or hairstyles are not permitted. This is at the discretion of the College Principal
- **Cosmetics and make-up** should not be **obvious**
- Uniform style should not be modified
- All teaching staff are required to enforce the Dress Code- Student Uniform Policy.
- Any issues related to the uniform will need to be addressed in writing to College Council via Campus Principal.

If a student is out of uniform, one of the following practices will be appropriate:

- In an emergency, parent/guardian may write a note of explanation asking that an exemption be granted for that day. A Uniform Pass will be issued by the Year Level Co-ordinator.
- If the parent can be contacted the student will be sent home to return only when in full school uniform.
- If a parent cannot be contacted the student will be provided with emergency clothing for that day and after shall not return to school until they are in full school uniform.
- Where there is a long term difficulty the school will consult with parents to find a solution.
