

MANAGED 'BRING YOUR OWN DEVICE' LAPTOP PROGRAM

Bayside P-12 College believes that the use of digital technologies at school allows the development of valuable skills and knowledge and prepares students to thrive in our globalised and inter-connected world. As such, it is expected that students purchase a designated laptop for use as part of their learning program.

The college runs a managed Bring Your Own Device program in partnership with "Learning With Technologies". Devices purchased through the program are supported by our IT staff with regards to technical issues. We will also assist with warranty claims with repairs being carried out at the college. Any cost incurred for the repairs will be settled between the family and Learning With Technologies.

Learning With Technologies are the only college approved provider and laptops purchased from another source will have limited connectivity and technical support at school.

It is anticipated that students will retain their laptop for three (3) years, and we suggest upgrading to a new device at the start of year 10.

Orders can be placed online

<http://BaysideP12.orderportal.com.au/>

Payment can be made by credit card or BPay. There is also an option to buy with finance.

Timeline

- You can order and commence payment any time from now.
- Payments need to be completed by Friday 6th December to be confident of the notebook being ready for the first day of the school year. Payments will still be accepted after this time but may incur a delivery fee.
- Students will be allocated their laptops during the first week of term 1, 2025

The three (3) designated* laptops are as follows:

Lenovo 100w Gen 4 - 11.6" Non Touch Intel N100 8GB 128GB	Lenovo 500w Yoga Gen 4 - 12.2" N100 8GB 128GB	Lenovo 500w Yoga Gen 4 - 12.2" N100 8GB 256GB
		
PRICE \$686.64 inc GST	\$840.64 inc GST	\$960.64 inc GST

Further specifications can be found on the order portal.

*Please note pricing, models and inclusions are subject to change without notice. The order portal contains the most up to date information.

Warranty

The laptop will come with a 3 year Onsite Standard Education Warranty covers incidents arising from use such as impact damage and liquid damage. Please read the Product Disclosure Statement (PDS) available in the portal.

Insurance

Should you wish to purchase further insurance for the laptop, you would need to explore external options such as your own home and contents insurance or single item insurance. Again, please read the Product Disclosure Statements.
